(U) "Hookshot" is this Bureau's code name for our investigation to identify a member of the United States military who in 1964 and 1965 was acting as an agent of the Soviet intelligence services (SIS). (S)

(U) This Bureau has learned from an extremely sensitive source who has furnished reliable information in the past that the subject at the end of 1964 or in the first months of 1965 was in Vietnam, presumably in the United States Army working in supply. Subject claimed to have access to information on the location and distribution of nuclear weapons. As of January, 1965, his tour in Vietnam was not to exceed ten to twelve months. He still had ten years to serve in the United States military which may imply that he had already served ten years. (S)

At some stage of his military service, subject had been selected for assignment in radio intercept and decoding work. It is not clear whether these were his duties in Vietnam; however, while in Vietnam, he was (S)

(U) Hookshot is the Bureau code name for our investigation to identify a member of the United States military who in 1964 and 1965 was acting as an agent of the Soviet intelligence services (SIS). The Bureau has learned from [REDACTED] that an individual who was with a United States Army supply unit in Vietnam during the early part of 1965 was cooperating with the SIS. There is some indication that this individual had access to information on the location and distribution of nuclear weapons. As of January, 1965, the individual was to serve approximately 10 to 12 additional months in Vietnam and had 10 years to serve in the Army to be eligible to retire. (S)

b7D

This information was provided to the Assistant Chief of Staff for Intelligence, Department of the Army during February, 1974, with a request for assistance in identifying the Hookshot subject. The Army recently concluded a thorough and discreet review of persons meeting the criteria of Hookshot and have located a possible suspect.

This individual has been identified as Joseph George Helmich, Jr., born July 13, 1937, at Fort Lauderdale, Florida. Helmich was separated from the military during the early part of 1967 and his present whereabouts are unknown to the Army. A recent check with Baltimore Source 4 indicates that Helmich, during the latter part of 1973, was employed by Heritage American, Inc., 1269 Gordon Highway, Augusta, Georgia 30901. ACTION

[Redacted] The above information was provided to the Army. Their investigation revealed that Joseph George Helmich appeared to be a logical suspect for the Greenwood agent. Helmich was assigned to various Army units in France during the early 1960's and was assigned to a supply unit in Vietnam during the latter part of 1964 and the early part of 1965. He held a crypto clearance while in the Army.

Recommendation:

(U) To authorize FBIHQ Supervisor [REDACTED] to travel to Columbia, South Carolina, for the purpose of giving the SAC, FCI Supervisor, and the case officer a complete and thorough briefing on the background of this case ([REDACTED] material included) and to provide parameters on the handling and direction of this investigation. Details:

(U) Information concerning Hookshot, (a developed agent of the SIS during 1964 and 1965, was included in the material furnished by [REDACTED] during 1972. This information indicated that the GRU had an agent known as "Greenwood", who was possibly assigned in France prior to his posting to Vietnam in 1964. At some stage in his U. S. Army career, "Greenwood" was selected for assignment in radio interception and decoding work. He was also in a position to furnish the GRU Residency, Paris, France, information concerning the distribution of nuclear weapons. [REDACTED]

(U) The last information provided by [REDACTED]
indicated that [REDACTED]

[REDACTED] The assumption here is that Greenwood returned to the United States and his GRU control was moved either to another Residency or back to Moscow. (S)

Based upon the above information, U. S. Army INSCOM was able to tentatively identify the Hookshot subject as Joseph George Helmich, Jr., born July 13, 1937, at Fort Lauderdale, Florida. (S)(U)

Helmich is presently located in Aiken, South Carolina, where he works as a car salesman. Helmich resigned from the Army in late 1966 at Fort Gordon, Georgia, which is a signal intelligence training center for the Army. (S)(U)

(U) After Helmich returned from his Paris tour in 1963, the Army investigated Helmich for "unexplained affluence". He owned a new house, two Jaguar automobiles and other accouterments highly unusual for a man of his age and rank. In September of 1964, Helmich was requested to undergo a polygraph examination in connection with this matter. In

[REDACTED] (S)
(U) Subsequent checks on the sources of Helmich's finances were found to be unverifiable. The French were unable to locate the investment counselor, [REDACTED] who Helmich claimed to have used. Helmich's reported "gambling winnings" could not be verified. (S)

b6
b7C

(U) It is known from the [REDACTED] information that "Greenwood" had 10 or 12 months left to serve in Vietnam (after the polygraph incident) and 10 years left to serve in the Army. At the time of this information, Helmich had just arrived in Vietnam which meant he had 10 to 12 months remaining on his Vietnam tour. Helmich was 27 years old at this time, had been in the Army since 1954 (10 years) and he had 10 years left to serve before retirement. (S)

RE: HOOKSHOT

(U) While Helmich is now a civilian with no apparent direct access to classified information, it is believed that due to the information (sigint) he would have been able to provide the SIS in the mid 60's, there is reason to indicate that Helmich could possibly be working for the Soviets presently. In what capacity, we are unable to determine. There presently exists a rather elaborate antenna on the roof of Helmich's residence. In this regard, Helmich resides in a lower class neighborhood. He appears not to be living beyond his means. He is, however, in close proximity to Fort Gordon, Georgia, (a sensitive sigint training facility) and Charleston, South Carolina, (Navy nuclear submarine base). (S)

It is noted that Helmich resigned from the Army, in the fall of 1966 as the Army had begun indebtedness proceedings against him. Helmich seemed to have gone from "rags to riches and back to rags". At the time he left the Army, he was in financial difficulty in that he had many creditors. (S) U

(U) It is realized that Helmich does not appear to be receiving large sums of money, however, if he in fact is still working for the SIS, his motivation may have changed over the years to one of ideology. The ultimate goal in any case, is to interview Helmich (provided he is determined to be Greenwood) in order to gain information for the purpose of making a determination on the following: 1) Prosecution 2) doubling him back against the Soviets and 3) a damage assessment as to any sigint information he may have furnished the SIS. This last factor could have enabled the SIS to intercept and decipher our codes even today. (S)

(U) As Columbia does not have secure telephone communications and a substantial number of FCI trained personnel, it is recommended that FBIHQ Supervisor, [REDACTED] travel to Columbia for a conference with the SAC, FCI Supervisor and the case officer for the purpose of briefing these individuals on the extensive background of this case as well as to provide direction in discreetly conducting this investigation within distinct parameters. Until it is determined otherwise, this matter is being handled under the assumption that Helmich is presently working for the SIS in some capacity. (S)

RECORDS DO NOT SHOW THAT HELMICH HAS BOUGHT OR SOLD ANY PROPERTY SINCE 1973. A SPOT CHECK OF THE RESIDENCE AT 1170 ABBEVILLE AVENUE, AIKEN, S. C., DISCLOSED IT TO BE A LOWER-CLASS DWELLING IN A POOR SECTION OF TOWN. A RATHER ELABORATE TELEVISION OR RADIO ANTENNA WAS OBSERVED ON THE HOUSE. A LATE MODEL PICK-UP TRUCK WAS OBSERVED AT THE HOUSE WHICH BORE LICENSE TAGS IDENTIFIED AS DEALER TAGS FROM BILL VERNON CHEVROLET. INVESTIGATION DETERMINED HELMICH FORMERLY EMPLOYED BY AN AMERICAN MOTORS DEALERSHIP AND A FOREIGN CAR DEALER IN AUGUSTA. BASED ON OBSERVATION OF HELMICH'S RESIDENCE, HE DOES NOT APPEAR TO LIVE BEYOND THE MEANS TO BE EXPECTED OF A CAR SALESMAN. WITHOUT FURTHER CHECKING, HELMICH'S EMPLOYMENT WOULD NOT LIKELY GIVE HIM ACCESS TO CLASSIFIED MATERIAL. RE: HOOKSHOT
65-75452

NOTE:

(U) In 1972, [redacted] advised that in late 1964 and in 1965 a member of the U. S. Army was acting as an agent of the Soviet intelligence services (SIS). This military man was known to the SIS by code name "Greenwood". There were indications that this individual was assigned in Vietnam and had access to information on the location and distribution of nuclear weapons as he worked in "supply". His tour in Vietnam as of January, 1965, was not to exceed ten to twelve months and he had ten years still to serve before retiring. (S)

b7D

(U) There were indications that [redacted]
[redacted] as Greenwood was either attempting to get into or was already involved in radio interception and decoding work for the army. (S)

b7D

(U) It is believed Greenwood was recruited by the SIS prior to the fall of 1964. The location of this recruitment is not known. [redacted]

b7D

[redacted] We can only assume that he returned permanently to the United States in 1967. (S)

(U) FBIHQ is not in possession of further information to indicate what ultimately became of Greenwood. It could be speculated that Greenwood possibly continued to work for the SIS and was directed from another GBU residency, possibly Washington or New York. (S)

(U) (S) [Since receipt of the information in 1972, investigation has been conducted with the U. S. Army to try and identify Greenwood.] The above information was furnished to U. S. Army INSCOR. The army was able to tentatively identify Joseph George Helmick, Jr. from this information as a likely candidate for Greenwood. (S)

It is noted that Joseph George Helmick, Jr. was under investigation by the army in 1964 for his "unexplained affluence". On September 2, 1964, the army requested Helmick to undergo a polygraph examination in order to verify Helmick's statements regarding his finances. Helmick ultimately refused to undergo the polygraph examination. (S)

ReCOairtel 4/22/80, WFO airtel 5/6/80 and SV airtel 5/12/80, all to the Bureau.

On 5/12/80, a pretext telephone call was made to Bill Vernon Chevrolet, Aiken, S. C. The caller asked to speak to the subject and was told that he had left his job there two or three months ago. The caller was further advised that subject is now working at Timmerman Motor Company (located at 1103 Richland Ave., Aiken, S. C.)(See Para 1, Page 3, of reCOairtel).

Physical observation of subject's home on 5/14/80 determined that an automobile bearing S. C. License [redacted] was parked beside the house where subject's Chevrolet, S. C. License TCS 461 (described in CO teletype 4/2/80) is usually parked. About 1:00 P. M. on the same date a Chevrolet truck bearing S. C. License XLE 174 was observed parked in the yard. This vehicle departed prior to 1:45 P. M. Motor vehicle records reflect S. C. License [redacted] was issued for a 1970 Mercury

registered to [redacted]
(Columbia indices negative) and was to expire 11/79. S. C.
License XLE 174 was issued for a Chevrolet registered to Goodman
Chevrolet, Inc., 100 Main St., New Ellenton, S. C.

b6
b7C

A pretext call was made to Timmerman Motor Co. on
5/14/80, and it was determined that the subject was no longer
working there but might be reached at Goodman Chevrolet, Inc.,
New Ellenton, S. C. Physical observation of Goodman Chevrolet
(located about 8 miles from Aiken, S. C.) determined that the
Chevrolet truck was parked near the office. Later the same day
the subject's wife was observed driving the vehicle with S. C.
License [redacted]. She was apparently grocery shopping.

b6
b7C

It is noted that Goodman Chevrolet, Inc. is located
two miles from the entrance gate to the Savannah River Plant
(described in CO airtel 4/24/80). Several cars, with people
wearing badges indicating they are Savannah River Plant employees,
were observed around lunch time parked at a barbecue place
adjacent to Goodman Chevrolet (about 200 yards away).

On 5/13/80, a "For Sale" sign was observed on the
lawn at subject's residence, 1170 Abbeville Ave., Aiken, S. C.

Columbia speculates that subject is selling his house
either because of the fire damage mentioned previously or the
make-up of the neighborhood and may buy in an area nearer his
new job location.

Based on physical observations to date, Columbia
believes subject's wife is currently unemployed or is working
only on a part-time basis.

The Bureau's attention is invited to New York letter
dated 4/28/69 captioned "XOB, ESP-R" (Bufile 65-70866) which

RE: HOOKSHOT

NOTE:

(U) In 1972, [redacted] advised that in late 1964 and in 1965 a member of the U. S. Army was acting as an agent of the Soviet intelligence services (SIS). This military man was known to the SIS by code name "Greenwood". There were indications that this individual was assigned in Vietnam and had access to information on the location and distribution of nuclear weapons as he worked in "supply". His tour in Vietnam as of January, 1965, was not to exceed ten to twelve months and he had ten years still to serve before retiring. (S) b7D

(U) There were indications that [redacted] as Greenwood was either attempting to get into or was already involved in radio interception and decoding work for the army. (S) b7D

(U) It is believed Greenwood was recruited by the SIS prior to the fall of 1964. The location of this recruitment is not known. [redacted] b7D

(U) [redacted] We can only assume that he returned permanently to the United States in 1967. (S)

(U) FBIHQ is not in possession of further information to indicate what ultimately became of Greenwood. It could be speculated that Greenwood possibly continued to work for the SIS and was directed from another GRU residency, possibly Washington or New York. (S)

(U) (S) Since receipt of the information in 1972, investigation has been conducted with the U. S. Army to try and identify Greenwood. The above information was furnished to U. S. Army INSCOR. The army was able to tentatively identify Joseph George Helmich, Jr. from this information as a likely candidate for Greenwood. (S)

It is noted that Joseph George Helmich, Jr. was under investigation by the army in 1964 for his "unexplained affluence". On September 2, 1964, the army requested Helmich to undergo a polygraph examination in order to verify Helmich's statements regarding his finances. Helmich ultimately refused to undergo the polygraph examination. (S) u

RE: HOOKSHOT
65-1233

Helmich resigned from the army in late 1966 at Fort Gordon, Georgia. The army had begun indebtedness proceedings against him as Helmich had many creditors. Since, he has worked in the Augusta, Georgia, area as a car salesman. (S) u

He recently moved to Aiken, South Carolina, where he resides at 1170 Abbeville Avenue and works for Goodman Chevrolet, Incorporated. Near Ellenton, South Carolina, which is located approximately two miles from the entrance to the Savannah River Plant, which is a sensitive U. S. nuclear installation. (S) u

(U) This investigation is being conducted under the presumption that if in fact Helmich is "Greenwood", there is a possibility that he continues to work for the SIS. (S)

TO DATE, ALL INFORMATION FROM [] HAS BEEN VERIFIED EXCEPT THE FACT THAT SUBJECT ACTUALLY IS HEADING FOR ALASKA. IT IS ALSO NOTED THAT RECENT NEWSPAPER ARTICLES IN THIS AREA INDICATE THAT UNEMPLOYMENT WAS AT A VERY LOW PERCENTAGE IN ALASKA AND THAT ANYONE WANTING TO WORK COULD OBTAIN EMPLOYMENT. FROM INVESTIGATION, IT IS APPARENT THAT SUBJECT NEEDS FUNDS AND EMPLOYMENT AND MAY HAVE READ THIS SAME ARTICLE.

COLUMBIA DIVISION SUGGESTS THAT IN THE EVENT SUBJECT IS NOT LOCATED AT ONE OF THE ADDRESSES SET FORTH IN REFERENCED BUREAU TELETYPE WITHIN A SHORT PERIOD OF TIME, [] THE BUREAU MAY WANT TO CONSIDER SETTING FORTH LEADS TO HAVE BORDER CROSSINGS LEADING TO THE ALCAN HIGHWAY CHECKED FOR SUBJECT'S LICENSE PLATE NUMBER FOR RE-ENTRY TO CANADA. IF THE SUBJECT IS RECHECKED INTO ALASKA FROM CANADA, THE ANCHORAGE OFFICE COULD POSSIBLY CHECK AT THIS POINT TO ASCERTAIN IF SUBJECT ENTERED ALASKA. IT IS ALSO NOTED WHEN SUBJECT LEFT OTTOWA, HE TRAVELED IN A SOUTHWESTERLY DIRECTION TO NIAGARA FALLS, NEW YORK, WHERE HE COULD EASILY CONTINUE WEST ACROSS THE NORTHERN PART OF THE U.S. TO THE ALCAN HIGHWAY. ~~Y-3~~
